“ *Terry you will be missed my many but you will meet up with Delores , can't be separated too long. My only regret is that the two of you didn't get to come now to Florida again for a real vacation here., but we will meet again . So don't be a smarty and lock those pearly gates when we are on our way. My prayers go out to your children especially the grandchildren has two grandparents taken way from them. Praying for their hearts to heal and that you will be watching them from above. Amen. Audrey & Mike Sundin.*

“ When I received word Ter' had passed these were my words to our mutual friends
The end of era.
Ter' Boguzs has passed on.
Have to say it again - truly an end of an era.
Ter' was brilliant in his knowledge of Dodge A100's and really anything with a motor in it. Another hobby was he raced cars.
Ter' was also excellent at singing and had a short lived Doo Wop group called the Coach Lights.
Ter' was on the side of freedom politically and we agreed on many things.
He was big hearted and treated those he met as family.
When I wanted to attend the Woodward Dream Cruise he surprised me with a pass to park the Go-Go Bus. That was Ter'!
I also have a chapter in my book, *Cruising Across America*” about him working on my Go-Go Bus and his determination to fix it and of course he did.
I will truly miss him.
I thank God I had the pleasure of being his friend.
