“ *Thecla had that special gift that after you spent time with her, you always felt better about yourself or your situation (...and she was really a lot of fun!). She was a Godly woman, and we have nothing but great memories of her. We will forever cherish her friendship.*

I live in Centerline Park Towers. Thecla lived across the hall from me. When I was moving in, she knocked at my door, she told me welcome to the building. A very sweet lady. She will be missed. The family has my deepest sympathy. May she rest in peace.
