“ I will always remember Ted's sense of humor, his ability to make scavenger hunts extremely unique, and his devotion to family, church and his community. Outstanding gentleman. My prayers to Gail and family.

“ Gail
I am thankful for having known you and Ted for so many years. Ted and I attended Denby High and went to U-D, sharing rides for the first year. We were members of the same fraternity and I remember your wedding and years of friendship. We will all miss Ted and his eMails.

“ Gail,
Karen and I want to send our sympathy.
You and Ted were very good friends of my sister Maria Danna and us.
Thank you for all great times shared at parties and the Polish Yacht Club.
I would always tease Ted in a kind way and call him "The Governor of Troy".
Also I would tease his close friend Del and call him "The Mayor of Troy".
God Bless and be safe.

“ Ted was a Titan in every sense of the word. I served with Ted on the Univ of Detroit Mercy Engineering Advisory Council and shared his passion for Titan Basketball. I first met Ted at Calihan Hall decades ago when that loyal group of Saint Anastasia Parishioners would be at all the Titan Games.

May Ted Dziurman be Resting-in-Peace. Job Well Done.

“ Ted Dziurman is the embodiment of what we hope and expect from our engineering graduates at the University of Detroit Mercy. He was a true professional in every sense of the word and a loyal alumnus. While I was Dean, I always valued Ted's advice and input, and enjoyed rooting for the Titans basketball team with him. I will miss him, as will all of us who knew him from UDM. May the Peace of Christ be with Gail and all of his family. Dr. Leo E. Hanifin, Dean Emeritus - College of Engineering and Science
