“ I was very sorry to hear about Ted's passing. We worked together at AAI for many years. Ted performed all of our safety training for the skilled trades employees and always did a great job and took his role very seriously.  
I always respected Ted for his service to his country and knew that he was very proud.  
Rest in peace my friend, you are missed.

“ Uncle Ted I will always remember all of the good times we had. You were always cheerful and always had a smile on your face and I could always count on a laugh! I know one day I will see you again and that makes me smile and I know I have one more person up there to look out for me! I love and miss you always!
