“ Linda, we were so sorry to hear about Todd's passing. Todd had such a big personality and was always full of life. After Dad died we spent so much time with you guys over the years. Todd was always such a good sport with Scott and I when we were young. He always entertained us and made sure we were comfortable. I have a few memories from all those years ago. One was our trip to Cedar Point. He was a kid just like us!! He even rode the Gemini Roller Coaster. I will never forget it. The other memory was when he was baby sitting Scott and I at our house while you and Mom were out having fun. The phone rang and it happened to be the Church Prayer Chain. He hung up and asked me "what is this Prayer Chain?" I had to explain it to him. I will never forget his facial expression and laughter. Todd had never heard of such a thing and could not get over it. I think he was literally in shock. It actually makes me laugh now just thinking about it. Todd was so giving of his time and resources. I will never forget his offer and help in facilitating my first wedding reception at the Renaissance Center. Who knew that just three weeks before my wedding Todd's life would forever be changed? He has been such a fighter. While conversations were difficult he still enjoyed a good laugh and or cry. He has been so lucky to have you by his side all these years. He will surely be missed.

“ Dear Linda,
We are so sorry for your loss. You have been a wonderful wife and friend to Ted. We have lived next to each other for many years and we have wonderful memories of Ted and my Stan together, they brought so much joy and laughter to us. And just Ted talking over the fence about the Detroit Lions and Tigers with my boys. Those memories and many more will stay w us forever. Both his kindness and laughter will be remembered forever by me and my children.
Linda we are here for you.
