“ *I never knew Theresa, but I know she touched her family in a great way. I know she will be missed, but the Lord will be at you all at this time of sadness. Although I don't know most of this family, just my niece Debbie and her husband, Steven, my thoughts are with you all. Lois Shupe*

“ *Dear Guy, You have our deepest sympathy on the death of your Wife Theresa. I know how important she was in your life and your care and support during these last few years must have brought her great comfort. Your relationship was quite special and while this makes the loss so very painful, I do believe that your closeness and warm memories will bring you comfort. Know that we are thinking of you and your Wife.*

“ *My sympathy and prayers are with my dear friend and former neighbor, Karen LaFalce, and her family. It is the most profound loss anyone can have when it is their Mother or Wife. The only comfort one can give is to reiterate that Theresa is in a better place and was immediately embraced at the gates of Heaven by Almighty God.*

“ *So sorry to hear about Theresa's passing. I'll always remember the bowling alley years, when I was growing up and our late night snacks at the restaurant afterwards. I always got the corn beef sandwich and Theresa always got a burger and took half of it home to your dog Sandy. You both have always been like family to us. Theresa will be greatly missed.*
