“ Grandma-

We will miss you terrible and will love you forever. You kept your promise to me, and I thank you deeply for it, I just wish you could have stayed with us a little longer. I know that you were in pain and now you are not. I know you are in a better place and you are there with Aunt Marilyn and I am sure she is taking good care of you now. (Give her a hug and kiss for me) I just can't tell you enough how much I love you and how much I miss you already. Much love til I see you again. Emma & DL send their kisses and hugs to you also.

“ *Most do not know that Grandma Theresa is the only Grandmother I ever knew. I looked up to her and admired her greatly. Though I know she is in a better place and reunited with her daughter Marilyn in God's kingdom I will miss her terribly. She lived life on her own terms and in her own way and that is an inspiration I will forever try to live up to! My heart felt and deepest sympathies go out to her loving and large family that carries on her amazing legacy! Rest in peace Grandma! I love you so very much!*
