“ Although I had not seen Aunt Theresa for many years, I will always remember her voice and character that always made me kind of chuckle. She always reminded me of grandma Kurily, both great ladies. I used to love to visit her and my cousins. I pray for her and her family, may peace be with you here and in eternity. Darryl Kurily

“ *You have been like a mother to me.  
You have always been kind  
With a loving heart  
And a willingness to help me  
Whenever I needed you.  
I have always been able to talk to you.  
I knew you would listen  
To all I had to say  
And give me good advice  
If I needed it.  
You were never judgmental  
You were always understanding  
You always made me feel loved,  
You always made me feel accepted,  
And you always made me feel special.  
Yes, you have been like a mother to me  
And I love and appreciate you  
More than you could possibly know.  
Love, Kimberly York XOXOXOXO*
