“ I just learned of Tom's passing today. He came across my mind so I decided to google him. Imagine my sadness to learn he passed. Tom and I worked together at ITT Automotive in the mid to late 90's. He was such a friendly guy and pleasant to be around. After many years of not working together I saw him at an H&R Block function where I also work, but in a different office from Tom. My condolences to all his family.

“ I had the true pleasure of working with Tom at H&R Block for nine years. We both shared a love of sports so each morning we would discuss Detroit sports from the previous night. It was a great start to the long work day. I will always admire Tom's devotion to family, faith, and his clients. He was a true friend and is so dearly missed by all. My thoughts and prayers are with his family!

“ I found out today that my favorite tax man is no longer with us. It still doesn't seem right. I will miss our yearly jokes! I had a good but corny one today for you!! I cannot express how deeply sadden I am, but I can only imagine how sadden the world that you were apart of is feeling. I only had the pleasure of seeing you at tax time, but I'm sure you were an awesome man year round!! Thank you for everything Tom!! My condolences to your family! ~Margie Stonehouse

“ It is very rare that you find someone that you can trust and will go above beyond and give you 110%+ in service. My son just told me that he passed away. I am truly devastated. I've trusted this man and have been going to him for the past 10 years. He did not just plug numbers in, he explained every process in detail so that I would know what he was doing and what was going on each and every time. His favorite words "I like to see the numbers jump." Very humble, patient and caring.. he was my friend, I am heartbroken ..RIP Tom ☐💔🙏🙏, The Heard Family
