“ *Gary and I are very sorry for your loss. We loved Tom and were glad that he was a part of my mother, Rose, and our lives. My Mom and Tom had a very special relationship for the past 12 years. Tom was a very wonderful person and a true gentleman. We have many fond memories of Tom, especially the afternoon we took him on a nostalgic tour including visiting his childhood home and the Fisk Farm. We will miss him dearly. Our hearts and prayers go out to you and your family.*
