“ *Dear Dr. Anna,*

I was so sad to hear of the passing of your father. I know in time the sadness and tears you have now will become smiles, joy and peace with his memory. Please give my condolences to your mother, and family. You mean so much to my family and David's family.

*We love you.

“ Dear Mrs. Kulczycki, Anna & Pete,

I wish that I could be there in person with you during this difficult time. I planned on coming into town but Ernie was not able to get the days off work to watch the kids.

Please know that you are always in our thoughts and prayers. I miss you very much and I just wanted to be there to give you a hug and to let you lean on my shoulder. I know all too well how grief feels. Please let me know if you ever need to talk. It is healing to let your emotions out.

Anna, your dad was a truly wonderful man and his spirit radiated brightly here on Earth. Every time I think of him I remember his smile, his laugh and the sparkle in his eyes. I am so grateful for the blessing the Lord gave me in having you as my dearest friend growing up and spending time with your family. The trips up North are memories I cherish and hold close to my heart...even the time I was so sunburned I swelled up like the Goodyear Blimp! I tell my kids stories about going up north with you fishing, mushroom hunting, raking up pine needles, being out on the lake and, of course, singing into the vacuum cleaner!

I know your Dad's spirit is shining brightly in Heaven and he will always be with his loved ones in spirit. I know how proud he was of the daughter you were growing up and the wonderful woman you are today. Take comfort in all the memories you have of him and for the time he was able to spend with his grandchildren.

I love you and I am here for you. May God be by your side.

*Love,
Donna, Ernie, Christian & Bella*
