“ Uncle Tom,
I will miss you so much. I have great memories of you when I was growing up. You were always kind and loving. You were a great friend to my parents. You were successful in so many ways. You had a happy life and 3 great kids who gave you grandchildren. You had a successful career that unfortunately moved you away from us.
I know how you have struggled these last years. I know you fought hard, and so many will miss you, but you can relax now. Rest... Aunt Francoise, Valery, Kent, and Francette, love to you all.
