“ *It is hard to think of just one memory, there are so many. When we were little he would take all of us younger cousins for ice cream, he always made me feel loved and special. When my son was born and I had to pick a godfather having a big family I had a lot of guys to choose from but the decision wasn't hard. I picked My Tommy booger. Family came 1st, his mother, sisters, cousins, etc,. There was no one else I could think of that would be a better role model for my son, Ben. I love you Tom and will miss you a lot.*
