“ *I remember the joy that Tom brought to me, especially when John was in Vietnam. I remember how he tried to teach me to play the guitar so that I could surprise John when he returned. I remember how he laughed and tried not to show it when I tried to sing along "By The Time You Get To Phoenix". He was a patient music teacher even with the musically challenged like me. Blessings to the family and grieve softly for him. I take comfort in knowing the he and my mom, Lillian Kniga's, crossed paths briefly in the end.*
