“ *What a great guy. Plenty of nights sitting in my driveway talking about all kinds of different stuff. Especially Stephanie, little William and Travius. While Big William was out at the bar. Then so many times Timmy and Big William go riding around all day looking at cars. Then Timmy took us to Virginia in the big blue van to bring home the 75 corvette. We had a hard time finding a car trailer here in michigan. So we drove to Virginia and was able to get a car trailer in Williamsburg Ky. Hooked up the car trailer and brought the corvette home. So many memories my family has with Timmy. He was someone both my sons William Jr and Travius could always look up to. You will be missed by so many people. RIP Timmy. One of the best guy I knew. Stephanie, just remember your daddy loved you more than anything in this world.*
