“ *How could such a big guy be so soft spoken and kind hearted as he was? I will always remember this about him. I have many fond memories of all us growing up together and the family reunions. My thoughts and prayers are with his children and my hurting cousins who will guide and protect them. I know you will all miss him terribly.*

“ We are so sorry to hear that our loving nephew Tim has passed away. We send our deepest regrets to his family. We want his children to know that we will be thinking of them in this sad time and to his brothers and sisters we say you all will always be in our thoughts and prayers. We love Tim and will miss him but he will be with Karen where they will be watching over their children forever.
