“ Dear Vickie, Tommy and family

There are no words to express our deep sadness upon hearing of Tom's death.

Jan and I have known Tom since we were teenagers and have had the blessing of having his friendship for over 50 years. Not only was Tom the Best Man at our wedding he was my (Clint) best friend always. We shared many adventures together and shared good and bad times.

Even though we haven't been able to see each other recently Tom has been in our thoughts and prayers.

May God give you the strength to get through this difficult time and keep all your great memories of Tom alive in your hearts.

*Love and Blessings,
Clint and Jan*

“ Dear Vicki, Tommy and family,

We are very sorry to hear about Tom's death. Needless to say, he was a great guy. Many fond memories of our days at GM. Dan worked with him at Westland Warehouse, and both of us when we were all at the Tech Center. We were a GM Family.

May all the wonderful memories that you have of him help you through this very sad time.

*Love, Dan and Kathy Devine
(p.s. Dan would kid and call him "Scarbinski"!!*

“Gone too soon! My thoughts and prayers are with Vicki, and the rest of Tom's family. Had not seen Tom in a while, so my memory will be of him laughing and smiling at one of our retiree luncheons, and having fun at the many Purchasing bowling tournaments he organized.

I'm so sorry to hear about Tom's death. I first worked with Tom at The Westland Warehouse in the early 1970's and again at the GM Tech Center when I retired in 2003. Tom genuinely cared about all the people who worked for him and it was a privilege to have worked for him and to have known him.
