

Tonya Ray

September 25, 1979 - December 17, 2025

Tonya Ray was born on September 25, 1979, and passed away at the age of 46. She was a loving daughter, mother, sister, and aunt whose life was defined by her devotion to family and the deep love she gave to those around her.

Tonya is survived by her parents, Patricia and George; her two sons, Austin and Cody Chase, who were the center of her world; her brother, Todd; her sister, Tammy; and several beloved nieces and nephews. As a mother, Tonya was deeply caring and taught those around her how to love unconditionally. She will also be remembered for her love of dancing and her goofy, joyful spirit whenever she was with family—bringing laughter and warmth to every gathering.

Though her time here was far too short, Tonya's love and spirit will live on through her children and all who were fortunate enough to know her. She will be deeply missed and forever loved.

“ She is a very loving caring person I had the pleasure to be in my life. Her smile could light up a room. She is a beautiful person inside and out. Glad I was able to make her laugh and smile. I was very lucky to have a friend I could talk to. I will truly miss her laugh, smile, her rosey cheeks and witty nature. Until we see each other again in the afterlife.
