“ *It had been a long time since I had seen Tracy. I always appreciated the time we spent together when we were so young.*

Sorry for your loss John and family. You are in my prayers.

“ I worked with Tracy for many years at Taubman. She was always a joy to have around with a wonderful sense of humor. A monthly phone usage report circulated our office and had her name listed as Terry. I often called her Terry. She always smiled! Best wishes to all her family and friends. Dan Parker
