“ *Dear family, I am so sorry to read of your loss and would like to extend my deepest sympathy for your dear wife and mother Trudy. I can't imagine the pain you feel. I pray that you find comfort in the promise that God does not take our loved ones ( James 1:13) and that soon there will be no need for grieving ( 1 Corinthians 15:26) and that God will comfort your family as you await seeing your loved one again (2 Corinthians 1:3-7 and Acts 24:15). This helped me during my mourning I hope it helps your family.*

“ I use to work with Trudy in the East Detroit Schools Food Service Department.

*She and I worked at the elementary schools. Trudy was a sweet person, never had a bad thing to say about anyone. We would have monthly meetings and then would go out to lunch with the other ladies we worked with. It was always nice to get together and talk about work, family, what might be going on in anyone of our lives. I am sorry for your loss and will miss her too.*
