“*Walt, i have known you for ten years and have loved you from that first moment in Coeur d'Alene, Idaho. At that meeting I felt I knew you all my life. I remember how close we were when you were going on four years old, wished I would have had you in my life all the years in between. You worked hard all your life, married and had eight wonderful children, many grand children and great grandchildren. You have done well and know that you are loved by many and will never be forgotten. God bless and keep you forever. Your loving Aunt Liz Goyak.*
