friend who misses you - February 17, 2015 at 11:12 PM

“ Dear God ,
Please take the soul and spirit of this dear
departed one into the sweetest corner of Your
mind, the most tender place in Your heart,
that she, and we might be comforted.

*For now she has gone and I pray , dear God , for the strength to
remember she has not gone far.*

*For she is with You and shall remain so forever. She remains within
me, for we are all in You together.*

*The cord hat binds us one to the other cannot be cut, surely not by
death.*

*For you dear God, have brought us together, and we remain in
eternal connection.*

*There is no power greater than You.
Death is not Your master, not ours.*

*These things I believe and ask our hearts to register.
We surrender to You our grief.
We surrender to you our pain.*

*Please take care of Your servant, our dear Vanessa who has
passed.*

*And please dear Lord take care of us.
Amen.*

“ Wish I could've known her like I should have. Having big bothers and sisters you will never know is kind Of upsetting. And a tragedy occurs and you have no memories with that person.

words cannot begin to describe how wonderful of a person ness was to everyone around her it was a pleasure if you got to be a part of her life . even when she was going through her toughest times she still knew how to make you smile and feel good :) she had a heart of gold and love . I will miss all of our talks , that ended up in her giving you the best and most honest advice. I am deeply saddened for my family and myself for this loss . but smile knowing how beautiful of an angel the Lord has acquired . you are and will be greatly missed .
