“ *I work at Quest and always loved it when Vas's name came up to call and request service. He had such a bubbly personality and was a delight to talk with. He will be sorely missed by everyone at Quest and I am so sorry for your loss, my prayers are with your family, I know you miss him very much and think about him every day!*

“ I used to work for Quest and I have to say in such a stressful, fast paced and even selfish environment, speaking with Vas when given the opportunity always managed to put a smile on my face! Great professional and as I am sure his friends and family got to know, also a great man! It was always a pleasure to hear his cheerful voice, so helpful and friendly. Will be truly missed by many.

“ I work for Quest and when dispatching in the Macomb area, whenever I saw VJ Towing on the list I was always hoping to make it down to them just so I could speak to Vas. He had a way of brightening your day and making you feel like he genuinly was happy to speak to you. He will be missed greatly by everyone here.

“ I have just found out about losing one of our best service providers for Quest. He will be greatly missed. Not only did we know when he came up in our system that he would take the call but that the customer would be taken care of with a happy outlook. I am very sorry for your loss and you are all in my prayers.

“ I just found out about the loss of the greatest service provider that Quest could ever have. He was always happy to help us, no matter what it was. I always looked forward to speaking to him when his company came up on our list. He will be greatly missed.

“ I have just found out today that we have lost the greatest person I could ever speak to in the word on the phone. Vas was the most bubbly happiest person to ever dispatch a call too. I am very saddened to hear of this great lost to the world and the community. There was nothing he wouldnt do for Quest and people that were broke down on the side of the roads. He will greatly be missed by me. I am so saddened and sorry. Love you Vas, may you be smiling with the Gods above and towing the angels with broken wings :)
