“ My grandpa was the best grandpa i could ever ask for i had very many good memories with him that i will never forget we been fishing and we went on a trip to Nashville TN it was one of best trips i have been on. Its sad to say he didn't have the a very good wife she tried to kick him out of his own home she lied to the police resulting him to go to be taken away oh lets not forget how she took all of his money and left him with a empty house then she even had the nerve to show up at the funeral

“ We are extremely saddened by the passing of Mr. Vic. He had been very kind and helpful to us ever since we moved to the same subdivision. Many many times Mr. Vic looked after our house when we were out of state or out of the country, and diligently performed tasks such as gathering mails, watering plants, taking grass clippings out for disposal, shoveling snow – to name a few. With his vast experience, many times he shared his gardening tips, how to repair sprinkler heads, how to maintain sump pumps – to save money in repair costs. He basically had an honest answer to every query we had. We will surely miss him. May the good Lord bring his soul to the joy of eternal life.

*Our heartfelt condolences to the entire family of Mr. Vic. May the good Lord continue to bless all of you during this difficult time.*
