“ What can I say about grandma Mahood? You were the best card player and taught me from a young age how to be a card shark. You could make a 10 course meal with nothing but a cup of flour and a stick of butter. I like to think I acquired that skill too :) you were the calmer of fears, yarn doll maker extraordinaire and my home girl to rock out to Conway twitty to. You will be forever missed from this earth but never far from our hearts. And though the sadness down here can be overwhelming at times, how glorious was your walk through those gates to see our lord and even greater to see grandpa waiting for you with kibbles, pooch, Morris, Brutus, and panda. Rip tenacious V. Until we meet again :)

*Nena thank you for making our mother so comfortable and for making her smile everytime you walked in her room. She loved you as well. I can only imagine the mischief the two of you could have gotten into had her health been better. You always made her face light up. Like Priscilla said you saw her through some of her darkest hours. Her children are so grateful for that. God bless you.*

“ Mom,

*You have taught me so much in my life. To smile even when it hurts. How to love unconditionally. To be gracious and kind, especially to those who take care of you. To have faith even when it seems that all is lost. Most importantly, you've shown me that life can be unfair, but you don't have to be. You were a WONDERFUL mother and I have been truly blessed to call you Mom.*

*All things happen in God's time. God's time is now your time!  
Finally, pain free and with you're maker. I can't be sad about that!*

*Love, hugs, and kisses,  
Bootz*

What a wonderful place to be with Jesus, your husband, and all of your family that are there. Give mom a hug for me. I will miss your smile but will see it again one day when I get to Heaven.
