“ *Virginia, was a lovely, warm women that I knew from Congregation Shema Israel. she had a servant heart and always pitched in. I fondly remember her large fruit salad. all the labor that went into that.*

Heaven's gain and our lost.

My condolences to the entire family. To quote actress Marlo Thomas, 'there is no worse blow than to lose someone you love'.

God bless you all,

“ *Dear Roy,
Steve and I are so sorry to hear about your great loss. Virginia was always smiling and happy every time she greeted me at Shema. She taught me so many things as a new believer in Jesus. I am very sad and though we haven't seen your family in so long, we are still connected in the Lord.
We will be praying for you Roy*

“ *I loved my dear cousin Virginia from as far back as I can remember. I was infatuated by her beauty and bubbly personality. I was always so proud to point out to my friends just how lovely my cousins were. I will never forget that beautiful smile, those sparkling eyes, and the warmth she always showed me. I'm going to miss her deeply, but only until we are reunited in heaven.*

“*Virginia Galli was a beautiful, dignified, classy lady. She had style in everything she did. She loved the Lord and shared that love with everyone. My favorite memory was her sharing the Jewish holidays at bible study. Her passion for the subject was contagious. What a celebration there must be now that this matriarch has stepped into heaven. Our love and prayers to the Gallis, Militellos, and Palazzolos.*
