“ Sorry to hear of Aunt Virge's passing. She must have lived a wonderfully long and happy life having such a big family that loved her dearly. Remembering that she was always a very classy lady at every family function. Even though regretfully we will not be attending her funeral, we will be praying for her. Our deepest condolences and sympathies to her family.

“ It is with deepest condolences that I share this memory of Aunt Virge. I always looked up to her as the most beautiful, regal woman inside and out when I saw her at many family functions. She and uncle Steve made a most handsome couple. I wanted to be like her when I grew up. I know she is with the angels and forever will remain in peace. My deepest sympathy to the family.
