“ *My sincerest sympathies to Waclaw's family. In the past five years I had the pleasure of working on several projects with Waclaw. He was always up to a good design challenge and always had great creative solutions to share. An excellent work colleague who will be sorely missed, especially for his positive and cheerful demeanor no matter what. Gone too soon!*

Waclaw, our dear friend and colleague. You are missed so much by all of us. You were always a gentleman in that sport coat and really enjoyed the toughest vehicle design projects. You will always be in our life's memories. Our love and prayers to your wonderful family. I can see your wonderful smile, your laugh and positive attitude with God our father in Heaven! Miss you already sooooo much. Gary and your Chrysler family.
