“ *Dear Kuss Family:*

My family?s deepest sympathy goes out to you and yours at this time. I did not ever have the privilege of meeting Mr. Walter Kuss, but am honored to call Karl my friend. Meeting Karl at a MDA fundraiser, the size of Karl?s heart never ceases to amaze me, and I know that those things are a reflection of parents. My family?s thoughts and prayers are with you through this difficult time.

“ My deepest sympathy, Nancy. I did not know Bud as well as I knew you, but when we did cross paths I was delighted to be in his company. I remember him at our house at Christmas time and at our cottage one summer. He was the prince of the party. His sense of humor was so genuine. The best of times was when you two were together. You were an elite couple. He was so fortunate to have you and you were so fortunate to have had him for so many years.

“ Dear Nancy, I will never forget the day when Bud walked into my office to deliver to me one of your beautiful homemade ceramic planters. I said to myself what a great guy, a policeman yet, to take the time out of his busy schedule to deliver a gift to an unknown person for the benefit of his wife. Ever since that day Bud and I were friends and I realized you had one heck of a husband. Bud will be very much missed. My deepest condolences to you and your loved ones.
