“ *The things you do for yourself are gone when you are gone, but the things you do for others remain as your legacy. I have heard story after story about how my Uncle Wally helped his family and friends during difficult times. His kind gestures and compassion throughout the years are an inspiration to us all.*

*God Bless You Uncle Wally!*

“ *Best big brother  
Introduce my brother John and myself to the game of golf at an early age. Also let me and my friends use his car when we were teenagers and spend the night at his house. No curfew. Life was good! Thanks Wally brother Don*
