“ Dearest Rolando Family:

Please accept my deepest sympathies on the passing of your dearest mother, "Wally" I knew your mom and dad from when they attended Saint Louise Parish in Warren, Michigan. Your mom and dad always attended the 8:00 AM Mass on Sundays! I was a lector and my two sons were altar servers at Saint Louise and it was always a pleasure to see them in the pews. The way they acted and talked to each other you knew that they were truly in love and great role models for everyone!

Your mom was one of the most sweetest and kindest souls whom I ever met. She was always so polite and she would always sincerely inquire about my wife, Margaret or my sons! I truly enjoyed seeing your mom and dad after Church!

God bless you all and know that your mom is in Heaven watching over her family with great pride and much, much love!! God bless you all and special prayers for your dad, Jack!
