“ *My grandmother and Wanda were close friends, and while I have no recollection of ever meeting Wanda in person, every birthday and major life event I received a card from the loving "Aunt Wanda." Her kind heart and commitment to maintain contact with my grandma's family always impressed me. Heaven certainly gained another angel. Sending love and prayers.- Kara, Matthew, and Connor Pepito*

“ Only met her once. She made dinner for us and Janice and Brian. Delicious food and warm company. We loved her through Janice, our dear friend. I know she'll be missed but was blessed with a long, precious life. God bless and comfort all her loved ones that will gone on. Gone but never forgotten.
