“ I know he will be greatly missed by all who knew him. I have such fond memories of so many wonderful family holidays and events spent with the Beaubien family. Although he was my dad's 1st cousin, we thought of him like an uncle. The one thing I know for sure is that he loved his family wholeheartedly. I am honored to be able to attend his memorial service.

“ Dear Donna and family - we were so very sorry to hear of Bill's passing. Losing the family patriarch is overwhelming but as time passes, the good memories of times together will help heal the loss. The legacy of your long marriage, children, grandchildren and great-grandchildren will be a joyful reminder of your lives together. As old friends and a former coworker of Bill, we extend our deepest sympathy at this sad time. -Don and Elaine Hoffman
