“ To Leona, and the entire Boettcher family and friends. There was great sadness upon hearing the news of Bill Jr's passing. On behalf of the family of Marvin A. Berg and Pauline I leave these warm heartfelt words as an expression of our family love and share in your pain and grief at this most difficult time. Although time has not allowed us all to connect through the years, thoughts and well wishes have always been sent through the universal mighty spirit. I remember my mom sharing stories of connecting with you ~ Lee' and Bill while out in about in day's gone by and dad as well, would share his stories of Bill Sr. his cousin. My heart aches for your loss. I have great faith and I believe in the presence of a higher power. I believe that Bill was greeted by all our family members who were called home and started their journey to the great vast unknown before him. That our Father God welcomed him to his everlasting glorious kingdom where only love resides. I share with you my deepest thoughts and prayers. As we unite together in sadness I pray you find comfort and peace in all the moments made that became treasured memories. Keep the memories close to heart and mind and Bill will always remain alive and well. "XO"

“ A great co-worker who always had the cleanest truck in the County's fleet. I know he suffered a lot in the past few years, and now will be able to rest in peace. May perpetual light shine upon him and may his soul rest in peace.
