“ *Bill & Lee words fall short of expressing my sorrow for your loss. I truly never learned what the words "I miss you" were until I reached for my Dad's hand and it wasn't there... It's times like this that I wish R.I.P. really meant "Return if Possible".....sending love your friend always Linda.*

“ *We are so sorry to hear about Bill...he was a quiet, gentle man!!! Both Jeanie and Bill were so nice to our family. We grew up knowing your family. Your mother and father were always there for our family. Your Dad & Mom were so caring toward my folks. When my Dad passed they were there for my Mom and family. I am sure Jeanie was there (along with my Dad and Mom) to welcome Bill "home".*
