“ *I was Bill and Rose mail carrier for many years, I always looked forward when he was out doing something in the yard or garage and chat with him. I was do sad for him when they told him he couldn't plant anything along fence, it always looked so nice back there. Sometimes when I didn't see him, I had to knock on the door to say "Hello" to them both, such a sweet, loving couple. I missed them when them when they moved...🥹❤️🙏*

“ *Bill was always good for a joke or a tease. So glad you are in His Glory now! I'm positive they serve Osso Buco every night on the menu in Heaven. You will be missed. Much love from your family at Oakmont Sterling. Claudia*

“ *BB (as I called him) was one of the best dads ever!!! Throughout the last 2.5 years of his illness, he was ALWAYS very gracious to the caregivers and always thanked them. Many nurses and drs. told him he was a kind man, and I will be forever grateful for all that he gave. One of his main goals in life was to take care of his sweetheart, Rosalie. While we are very sad and will miss him dearly, he got the PRIZE and got to meet Jesus!*
