

## William Boyle

June 17, 1942 - March 1, 2026

Bill Boyle was a beloved husband to Joyce Boyle. He was devoted to his family Michael Boyle, Marianne Nowicki (Jeff), Kathryn Cleary (Sean). Loving grandfather to Katie, Joey, Jack, and Charlie. Loving uncle to David Bedient and many other beloved nieces and nephews.

Bill attended the Center for Creative Studies. He worked at GM on the design staff for 40 years. His real passion was being a sculptor. He showed his deep faith through his inspirational sculptures and artwork that are on display in churches throughout the tri-county area. Bill was a devoted husband for 59 years. He and his wife Joyce built a beautiful life together. During his incredible life he was a kind, loving, and loyal person and taught others by example. He was creative and could fix and figure out anything. He was the person his family could count on to always be there whether it was to help you out, give advice from his immense knowledge base, or figure out how to fix a problem. His grandchildren would always say “just ask Pa he can fix it.” He spent most of his retired life watching his grandchildren and developing a life changing bond with each of them. Bill, Dad, Pa made a lasting impact on everyone he spent time with. His true kindness and wit will forever leave a lasting impression on all who spent time with him. We all love him so much and will miss him forever.
