“ Billy Coppola is a "Forever" Best Friend Our friendship goes back decades from growing up in Hamtramck to weekends with us in Caseville. Billy would start the coffee, go out to get the morning paper and have the crossword puzzle completed before we joined him on the back porch for our first cup of coffee to start our day. Billy and Don would talk and listen to music into the wee hours of the night/morning before heading to bed. Billy was handy and if we needed a small project completed, he would be our "go to" guy with Don as his helper.

Memories of Billy (which could fill a book) will forever remain in our hearts and our friendship will continue from this life to the next.

“ Bill AKA "The Mayor of Mace Ave." was a dear friend to not only my wife and I, but to our 2 year son whom Bill claimed was his best friend...Case would agree. Case will miss searching for rocks and figurines around the yard. Bill will be missed greatly by the entire Martin Family. Rest in Peace.
