“ Bill was a wonderful man. I am so glad and fortunate to have had him be apart of my family. My girls Olivia and Ella loved their Grandpa Bill, and will miss him terribly. Olivia has said she knows he is going to become the best Angel God could have. I am so blessed to have had him apart of my mom Carol's life! They loved each other so much and was a great example of how to treat one another. The holiday's won't be the same without his entertaining games he would come up with! Bill you will be cherished and will be missed by many.

“ At this time of sadness may the God of all comfort, Jehovah be with your family. Psalms 147:3 says "He heals the brokenhearted; He binds up their wounds." I hope these words bring you strength and hope.

“ Bill & Marcie were wonderful next-door neighbors. Bill was always quick to give smile, take time to share a joke, and willing to help out where ever he could. Anyone that knew Bill, knew that hi family was important to him and that he loved them all dearly. Bill was a good man. Cheers to Bill and his new, pain free, life (back with Marcie) on the other side!

Best regards to all that knew Bill.

“ Dear Family,

Your loss is a shock resounding in the community.

Bill lived a full life as a gentleman's gentleman.

Bill led by example.

Bill shared his life and creativity to the benefit of others.

Bill leaves a Mark and a Standard to which each of us can aspire.

Respectfully,

Ralph Koerber

“ We have been so fortunate to have met Bill and enjoyed many good times with him and Carol. He loved traveling with her and we all enjoyed his company at our home and out and about. He loved telling us stories and had a very warm and loving heart. God takes the good ones early. We will miss him.

“ I'm pleased to be the first to give a tribute to Bill Davis. He was a very good friend of ours as was Marcie. We have known Bill and Marcie for over 45 years so long I can't remember. We met at bowling at Thunderbird lanes on a Friday couples league. We would then retreat to one of our houses and play poker till Chuck or Bill had to go to work! You can do that when you're young. We've been with them to Vegas, cruises, vacations, camping and of course the family poker games. We've watched their children grow into wonderful adults. We can't tell you how much we will miss them. God Bless and I'm sorry we won't be there to celebrate his life.
