“ *Dear Bernice, Brian, Mark and family:*

Bob and I really liked Bill because he was funny and always kind. I remember always running into him a Meijers and we made a joke about it. We remember how he would give directions and by the time he finished, we would be lost. Bill is probably giving directions now on how to get to heaven. Bill had a special name when we played charades but I will not say it here. We also remember how Bill had the hard job of driving us around when we went on scavenger hunts. Bernice, you had a wonderful marriage. We remember Bill calling you "snookums". Bill was a great father to Brian and Mark. We will miss Bill so much. But when we meet him in heaven our gang can all play a game of charades. love, Bev and Bob Guadagni

“ *Bill was a dear friend and husband to Bernice, who is a forever friend for 75 years. He never said a bad word about anyone. Enjoyed his sense of humor and kindness whenever our group of friends had a get together. He will be missed very much. Rest in peace Bill .*
