“ *Bill's life was cut way too short by a disease that his mother, aunts and uncles all experienced. Fortunately Bill has left us all with great memories, and hopefully the initiative to be a better person in these contentious times. I would like to express my sympathy to Sarah, Andrew and Kyle and the entire family.*

“ *Cousin Bill enjoyed life, but truly loved fishing and hunting in Posen. His "venison candy" tradition at deer camp was legendary. I'll miss Bill but celebrate his life with endless memories of my part of it. May God comfort all his friends and family, especially Michele, Sarah, Kyle, Dean and his grandchildren, with beautiful memories of him, so they can celebrate his life too.*

“ Bill & Michele lived in River Oaks. They were our neighbors. They were a beautiful family.  
We all had a connection because we went to St. Clement or one of our siblings did.  
So sorry for your loss. May your wonderful memories bring your families comfort during this difficult time. Rest In Peace and Let Perpetual Light Shine Upon You, Bill ❤️

“ If I could put all my memories of my brother Bill into words it would be a great book. We shared and experienced so many good times, places and events together growing up. You will be missed beyond words can explain. My big brother I looked up to and tried to follow. Your memories are chiseled in rock, like the rock that you were to me. May God bless you and keep you close, luv ya man. Your brother Daniel
