“ Dear George, I have been looking for you two for years. I'm so sorry for your loss. Xenia was an extraordinary woman. Even though it's been over 35 years since I worked for you, I can still hear her laugh, and taste her fabulous hushaway she made at Christmas for us girls. Sending love and comfort. Kathleen Gramzay

“ (from Allen's FaceBook wall)  
Grandma was a rad lady, she will be missed.

Yes, she was. Last time I saw her, last September/October, she was bustling around her kitchen getting ready to feed her gang before the party for her and George's 65th anniversary. I usually got confused about her name, sometimes calling her "X," sometimes "Z." Didn't matter. She rests in peace, cradled by the love of her family....

“ Dear George and Gary, my recent memory of Xenia was at Tina's graduation party at the park and what fun she had and all of us. Xenia will always be a most beautiful woman, wife, mother and grandmother. My thoughts are with you and all of her family.
