“ I just want your family to know how much people loved you. Thank you Zack for always being a good friend. You've always been a real one. Your laugh still echoes in the back of my mind. I remember walking down the school hallway one time watching you play Pokemon Black/White. We always geeked out about Pokemon. As a matter of fact, I'm still going to breed that Chimchar for you buddy and he will be a permanent member of my team. All the times we hungout at Jared's with Alecia, Jimmy, Cain, and our whole friend circle. There was NEVER a dull moment with you guys. And as time goes on and we begin to drift, just know EVERYONE loves you just the same. Rest easy, friend. I'll meet you in the afterlife somewhere with a big hug for you. We love you.

“ Zachary it's hard to believe you are gone. I will cherish the memories of you visiting Mark and always stopping to greet me with a smile or a hug and saying, "Hi Grandma." May you rest in peace until we meet again.
