“ My mother Zdzislawa Anna Porada was very positive, happy, kind person. She loved her family, kids, grand kids, and great grandkids. My mom loved nature, especially up north property where she spent all summers with her husband Jozef, family and friends. My mom loved to talk and she was very sociable. She was so full of life even though she was very ill in her last days. She was very religious and loved to pray rosary every day. Here are some of her pictures from her up north property taken with her family.
