“ Mary,

I just found out through an HBPA member that your Mom died. I am so sorry. I know you were very very close. I remember her being at DRC with you often and remember one night having dinner with you, jerry, your mom, hershell white, & kenny daniels over at mitch housey's.

My heartfelt condolences go out to you and your entire family. I know how hard it is losing people. My dad and the rest of his whole side have left since 2001.

The only one I have left is my mom and she's coming up on 82. I don't even want to think about anything happening to her.

I just wanted to let you know you're in my thoughts and prayers. It's hard but she's in a good place with the loved ones that went before her, whether we know it or not. Hang in there.

Longshot, (I worked for Bonnie Sutherland)and was good friends with hershell.

“*Dear Family, I was saddened to read of your loss and I?d like to extend my deepest sympathy for your dearly loved mother Zofia. I can only imagine the pain you must feel. I pray that you can find hope in the Bible. Jesus Christ, thru God?s Kingdom, His Word, the Bible, gives us a hope that includes seeing the resurrection of our dead loved ones. (Luke 23:43; John 5:28, 29)) ~ Hope this comforts you like it has my family during loss.*
